

Candlemas Eve

(Originally a double jig named Sydney's Jig)

Note: all side steps are open side steps. Figures start with right foot.

Once to yourself, tag back on last four counts.

Figure 1:

Two double steps, then right side step, left side step

Two double steps, then tag back

Chorus:

Side step right, then galley left, then three step changes (right, left, right) into a left plain caper, then two more step changes (right, left)

Side step right, side step left, then galley right, then two plain capers (left, right)

Figure 2:

Two beetle squashers, right and left side steps, two beetle squashers, then tag back

Chorus

Figure 3:

Two uprights, right and left side steps, two beetle squashers, then tag back

Chorus
